

Recycled polyester

Fabric created by breaking down and re-spinning plastic, mainly sourced from plastic bottles, into recycled polyester fibers.

Reflective yarn

Reflective thread that ensures increased visibility.

SHINE

** The composition is undergoing to an upgrade in order to reduce the product impact and it is subordinate to the product lot number. Please refer to the composition shown on the composition label.*

SHINE is the first beanie that combines **recycled polyester and acrylic** with a single **bright reflex thread**.

The reflective details are the perfect solution for those who **do not give up sport even when it's dark and cold**.
